EATPASTRY

EatPastry®

EatPastry is an entirely vegan owned and operated business offering a variety of cookie dough and baking mixes. Owners Alfredo Elias and Jessie Williams met in pastry school where they began their personal and professional relationship.

Founded in 2008 out of Jessie's parent's basement, the couple put in their blood, sweat and tears to make the company what it is today. Thanks to a loyal customer base, EatPastry has slowly become a national vegan brand based out of Sorrento Valley.
