...Naturally!

THE FLAVOR CHEF

The Flavor Chef, Inc. (previously San Diego County Catering & Meal Service) was founded in 2007. Originally located in Carlsbad, The Flavor Chef relocated to Vista in 2012. In 2013, they launched their first product, Genuine Chicken Bone Broth. Grass Fed Beef Bone Broth soon followed, and both broths are available at all Jimbo's...*Naturally!* locations. The Flavor Chef has a mission in mind to put a little bit of love into slow cooked real food. Producing their broths the long and hard way, they slow cook their soups in small quantities and process it by hand to ensure consistent quality. As Chef Lance likes to say, "Love is the Ultimate Spice!"
