Johann's Bakery was founded by expert baker Johann Heil in 1992. In 2008, Johann opened his dedicated 100% gluten-free bakery in Vista. Johann has been baking since he was 15 years old and has a deep passion for the art of bread making. Each loaf made at Johann's Bakery is crafted from the finest ingredients available and contains no fillers, preservatives, or chemicals. Johann's breads are now so popular, that orders are now sent to hospitals, schools, and San Diego's finest restaurants and retailers, such as Jimbo's...*Naturally!*.
