

JIMBO'S

...Naturally!

October 22nd was Jimbo's...*Naturally!* Anniversary Sale, and we donated 5% of the entire day's sales in all 5 stores along with customer donations for a total of

\$13,775 to BUTTERFLY FARMS.

As the beneficiary of the Anniversary Sale, the funds will support Butterfly Farms education, conservation and research of our important local pollinators- the monarch butterfly. For more information, visit www.butterflyfarms.org.

Thank you for participating and helping to make the event a great success!
