The Veggie Republic is a San Diego based family business that started operations in September of 2014 manufacturing beautiful Veggie Bracelets. For every Veggie Bracelet sold, The Veggie Republic is able to donate 5 pounds of fresh produce to our San Diego neighbors in need through the Farm to Family program of the California Association of Food Banks. In the first year, they donated 42,000 pounds of fresh fruits and vegetables!

The Veggie Bracelets depict local and organic veggies on seven different colorful backgrounds. The artwork was all done locally as well. The bracelets are made of sustainable theaceae wood with all natural resins. Besides looking great, the bracelets serve as a gentle reminder for people to make the best food choices they can.

The Veggie Bracelets – Do Good. Look Good. Feel Good.
