

Promises2Kids creates brighter futures for San Diego's foster children.

Our fundraiser held May 2nd-15th generated a total of \$10,889.08!

Your generous donation will support Promises2Kids and all of the 3,100 foster youth it serves year round through its programs:

- **The Polinsky Children's Center:** San Diego's emergency shelter for abused and neglected children.
- **Camp Connect:** Provides siblings separated in foster care the opportunity to reconnect.
- **Guardian Scholars:** Providing former foster youth with the support needed to achieve their dreams of higher education.
- **Foster Funds:** Support for foster children's wishes for special requests that most children take for granted such as dance lessons, graduations fees, prom, and summer camp registration.

Thank you for your support!
